YOUR LEGAL RIGHTS

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusions may not apply to you. No representative or dealer has authority to make any representation, promise, or agreement on behalf of CMA or Tianli, except as stated herein. Any tire, no matter how well constructed, may fail in service or otherwise become unserviceable due to conditions beyond the control of the manufacturer. Under no circumstances is this a representation that a tire failure cannot occur. This warranty gives you specific legal rights, and you may also have other rights that vary from state to state. This limited warranty is applicable only in the United States. CMA reserves the right to the final inspection decision on conditions for all returned tires under this Limited Warranty and Adjustment Policy. This Limited Warranty and Adjustment Policy is made in lieu of all other warranties, express or implied, and CMA expressly disclaims all implied warranties, including but not limited to the warranties of merchantability or fitness for a particular purpose. Some U.S. states do not allow limitations on the duration of an implied warranty, so the above may not apply to you. To the extent permitted by law, CMA disclaims liability for all consequential, special, and incidental damages. The remedies set forth in this Limited Warranty and Adjustment Policy are the sole and exclusive remedies for breach of warranty. In observance of U.S. Federal law, this Limited Warranty and Adjustment Policy has been designated a "Limited Warranty".
